

(3) Before a general license to practice dental hygiene or a teacher's license to practice dental hygiene expires, the licensee periodically may renew it for an additional term, if the licensee:

(i) Within 3 years before the expiration date of the license has practiced dental hygiene actively in this State;

(ii) Otherwise is entitled to be licensed;

(iii) Pays to the Board a renewal fee equivalent to an annual fee of \$10; and

(iv) Submits to the Board a renewal application on the form that the Board provides.

Article - Natural Resources

3-701.

(e) "Hazardous waste" means any waste substance or material designated as a hazardous substance pursuant to [§ 8-1413.2 of this article] § 7-208 OF THE HEALTH - ENVIRONMENTAL ARTICLE.

(f) "Low-level nuclear waste" means any substance or material designated as low-level nuclear waste under [§ 7-201(j)] § 7-208 of the Health - Environmental Article.

6-104.

A person may not drill any well for the production or underground storage of gas or oil in the State without obtaining a permit from the Department under the terms and conditions and on the forms the Department prescribes. The permit serves as the permit required under the provisions of [Title 8 of this article] TITLE 9, SUBTITLE 13 OF THE HEALTH - ENVIRONMENTAL ARTICLE, dealing with well drillers. A person may not dispose of any product of a gas or oil well without a permit issued by the Department.

[8-1413.4.

(a) Except as provided in subsection (b) of this section, the Department may not issue a permit under this subtitle for the disposal of low-level nuclear waste.

(b) If a person meets the requirements of §§ 8-1413.2 and 8-1413.3 of this article, the Department may issue a permit under this subtitle for the disposal of low-level nuclear waste if:

(1) The permit is in conformance with the provisions of an interstate compact, of which this State is a member, which governs the disposal of low-level nuclear waste; or
